

Optimizing Crop Nutrition

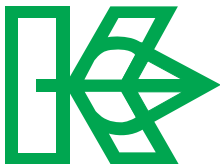

International Potash Institute

Satellite Event

IPI Open Forum on Potassium Research in Central Europe

Thursday, 22nd March 2007
16:00 – 19:00 h

Main conference hall

International Potash Institute, CH-8810 Horgen, Switzerland

P.O. Box 569, Baumgärtlistrasse 17
Phone (41) 43 810 49 22 • Telefax (41) 43 810 49 25
E-mail: ipi@pipotash.org • Website: www.ipipotash.org

Coordinator Central Europe

Dr. Thomas Popp
c/o K+S KALI GmbH
Bertha-von-Suttner-Straße 7, D-34131 Kassel, Germany
Phone (49) 561 9301-2338 • Telefax (49) 561 9301-1416
E-mail: thomas.popp@kali-gmbh.com

Program

| | | | |
|---------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 16:00 – 16:05 | Welcome address Thomas Popp, IPI Coordinator Central Europe | 17:35 – 17:50 | Yield and quality of vegetables in relation to potassium fertilization István Terbe, Katalin Slezák, Noémi Kappel, Ferenc Orosz, Corvinus University Budapest (Hungary) |
| 16:05 – 16:20 | Worldwide activities of IPI Hillel Magen, IPI Director | 17:50 – 18:05 | The content of potassium forms in soils of Poland Mariusz Fotyma, IUNG, Puławy (Poland) |
| 16:20 – 16:35 | Effect of potassium on plant disease Lawrence Datnoff, IFAS University of Florida (USA) | 18:05 – 18:20 | Potassium as a tool to ameliorate drought impact on crops Witold Grzebisz, Agricultural University of Poznań (Poland) |
| 16:35 – 16:50 | Potassium application and nutrient balance in Bulgaria Margarita Nikolova, Forestry University, Sofia (Bulgaria) | 18:20 – 18:35 | Importance of K fertilization under the aspect of global warming Jakab Loch and Imre Vágó, University of Debrecen (Hungary) |
| 16:50 – 17:05 | Potassium demand and potassium balance in the Czech and the Slovak Republic Pavel Čermák, ÚKZÚZ, Brno (Czech Republic) Stanislav Torma, VÚPOP, Prešov (Slovak Republic) | 18:35 – 19:00 | Discussion |
| 17:05 – 17:20 | Cost-saving potassium nutrition of field crops in Hungary Péter Csatho, RISSAC, Budapest (Hungary) | | |
| 17:20 – 17:35 | The effect of different rates and forms of potassium fertilizers on the yield and morphine content of poppy Tomáš Lošák, Mendel University of Agriculture and Forestry, Brno (Czech Republic) | | |
