Madurai, Tamil Nadu, India

9-12 December, 2008

PAPAYAS FOR NUTRITIONAL SECURITY

International Society for Horticultural Science (ISHS), Leuven, Belgium in collaboration with Tamil Nadu Agricultural University, Coimbatore, India and other scientific organizations is organizing **Second International Symposium on Papaya** at Madurai, Tamil Nadu, India **during 9-12 December, 2008**. The organizers of this symposium cordially invite everyone involved in papaya research, extension, education, trade and commerce to be present at this meeting to share their experiences and build up the fraternity and network for advancement of this important fruit crop. The symposium will consist of three days of technical proceedings with one-day mid symposium tour. A strong scientific programme will be presented with invited speakers / several high-quality oral presentations to address the latest progress made in research on papaya. In addition, a comprehensive poster session will allow delegates to present their own research results. For further details, please contact :
